EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Carl T. Thomsen on March 20, 2006.

The application has been amended as follows:

-Change the title to: HEADLAMP ASSEMBLY WITH BLINDFOLD FOR VEHICLE

Amend the claims as follows:

-Claim 11, line 2, change "a reflecting surface" to --two reflecting surfaces--.

-Claim 12, line 3, delete "said".

REMARKS: The amendment above makes the title more descriptive of the invention, provides antecedent basis for the "two reflecting surfaces" in claim 11, and deletes "said" from the limitation "two electric bulbs" in claim 12.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: Claims 1-8 and 10-21 are allowable because none of the prior art of record suggests a headlamp assembly having: a blindfold member for filling a gap formed between the case and the reflector when viewed from the front side, wherein the blindfold member is an uneven surface having ridges extending laterally with respect to the vehicle; the blindfold

member having a surface facing and straddling an area where a side edge of the lens is connected to the colored inner surface of the case, wherein the surface of the blindfold is formed at such an angle so as to reflect the color of the inner surface of the case in a forward direction with respect to the vehicle; wherein the two reflecting surfaces of the reflector are an upper reflector and a lower reflector and the blindfold member straddles between the upper reflector and the lower reflector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan Cariaso whose telephone number is (571) 272-2366. The examiner can normally be reached on 9-5:30 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sandra O'Shea can be reached on (571) 272-2378. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
